

COMMUNITY EVENT

April 6th 2024

St James Church, Pottergate, Alnwick

PROGRAMME

For this event, we've invited members of Northumberland County Council's Climate Team to come and talk with us about their new Climate Action Plan for 2024 - 2026. The plan is divided into 3 themes: Society, Emissions and Environment. This is an opportunity to hear firsthand about the Council's plans, to offer feedback, discuss how we can engage, and think about the implications for NGH.

9.30 Refreshments and Networking

10.00 Welcome & Housekeeping

10.10 NGH - What's New?

10.30 NCC's Climate Action Plan 2024 -26: Society, Emissions & Environment
Presentation from Hannah Davison, Senior Climate Change & Sustainability Manager

10.55 Workshop Discussion Aims

1. Explore HOW might NGH members be able to engage with NCC in the 'roll out' of the new Climate Action Plan 24 -26 going forward?
2. Identify WHAT NGH members can DO to enable effective delivery of the plan?

Workshop Question

Identify ways in which you and your communities could support, promote, engage with, and get involved with the implementation of the 3 themes of the 2024 – 2026 NCC Climate Action Plan: Society, Emissions & Environment.

11.30 Refreshment Break and Networking

12.00 Plenary Session
